Board of Health.

A special meeting of the Board of Health will be held to-morrow afternoon for the purpose of meeting and consulting with the visiting physicians from the other islands. The free discussion which is invited will no doubt prove interesting and productive of future benefit.

Shipping Intelligence.

The American schooner Mary Dodge, Captain Bergman in command, left Mahukona last Saturday bound for San Francisco. She had on board 4400 bags of sugar shipped by Castle & Cooke and 1200 from the Halawa Plantation; a total of 721,600 pounds valued at \$20,971.88.

The Pacific Hardware Co.

Foremost among the business houses is the Pacific Hardware Co., whose advertisement appears in another column under the caption, "Business Talks." From an inspection of their stock of goods we are forced to the opinion that money talks, also. In the matter of useful articles it is complete in every detail.

Common Sense

Should be used in attempting to cure that very disagreeable disease, catarrh. As catarrh originates in impurities in the blood, local applications can do no permanent good. The common sense method of treatment is to purify the blood, and for this purpose there is no preparation superior to Hood's Sarsaparilla.

Hood's Pills cure constipation by restoring peristaltic action of the alimentary canal.

G. R. Harrison, practical piano and organ maker and tuner, can furnish best factory references. Orders left at Hawaiian News Co. will receive prompt attention. All work guaranteed to be the same as done in factory.

If you want to buy a really good clock or watch at Coast prices inspect the stock of Brown & Kubey, at No. 4, Masonic Temple; there you will find the largest variety in Honolulu at the lowest prices; clocks and watches sold on weekly and monthly payments. Brown & Kubey make a specialty of rubber stamps.

MRS. AUG. DARROW.

WELLS, RICHARDSON & CO.,

Gentlemen:—I was very much run down, had no appetite at all, was very nervous, had no sleep night or day; to sum it all up, I was perfectly wretched. But thanks to Paine's Celery Compound I can now eat and sleep and work just as well as I could before I was taken sick. When I commenced taking the Compound I weighed 136 pounds; I now weigh 158 pounds and do all the work for my family of five. I have recommended the Compound to three families already and they are very much pleased with it. I am now taking my fifth bottle, and would recommend it to all who are suffering with stomach trouble or nervous trouble.

Yours respectfully,
MRS. AUG. DARROW.
